The timeframe for the request was from January 20, 2017, to the date the search was conducted.

We conducted a search of the USAID Bureau for Global Health (GH) and the Bureau for Legislative and Public Affairs (LPA) for documents responsive to your client's request. This third interim response yielded a total of 438 pages. After careful review, it has been determined that seven (7) pages are partially releasable and 78 pages are withheld in full pursuant to Title 5 U.S.C. § 552 (b)(5) and (b)(6). Additionally, 196 pages were determined to be outside the scope of the request.

The remaining 157 pages contained information that originated with the United States Department of State (DoS). Therefore, we have forwarded 157 pages to DoS for further review and direct reply to you.
